Dr. Williams's Trust.

The Trust includes a number of benefactions for which the founder, Rev. Daniel Williams, D.D. (b. 1643, d. 1716), made provision in his will. The most important of these is now the Library, which has been greatly enlarged and developed since his time.

Besides the Library, the benefactions include grants of money to ministers, and to widows of ministers; grants of books to ministers; bursaries to undergraduate students for the Protestant Dissenting Ministry at the University of Glasgow; post-graduate divinity scholarships for students of the Protestant Dissenting Ministry in approved Theological Colleges.

Provision is also made by the Trust for special Ministers in Wales to do missionary and evangelising work in aid of the weaker churches, or in districts where there is no regular ministry.

The Trustees also give bursaries and scholarships to be held at Presbyterian College, Carmarthen, and exhibitions for boys and girls in County Schools, Wrexham. They contribute to the maintenance of Dr. Williams' School for Girls (Secondary) at Dolgelley, North Wales. Information as to the institutions named in this paragraph, applications should be made to them locally, and not to the Secretary of the Trust.

GRANTS TO POOR MINISTERS.—Sums ranging usually from £10 to £20, not in aid of inadequate salaries, but to meet special emergencies or to assist in education of children. It has been the practice for many years to restrict these grants to ministers of Baptist or Congregational Churches. Retired ministers are not eligible.

Part postage is also paid in suitable cases on books borrowed from the Library by country readers who are nonconformist ministers. Further particulars may be obtained on application.

GRANTS TO WIDOWS OF MINISTERS.—These are made for the same purposes as those to ministers, but are not restricted to members of Baptist or Congregational Churches. The amount available for these grants is less than for those to ministers.

GRANTS OF BOOKS (called in the founder's will "Bibles and good practical books to be given to the poor").—These grants are made only in June of each year. Applications may be made at any time up to the middle of May of each year; if any grant is made the books are sent out in the following June. The books given are intended to help ministers in their studies. They are new books, and are not given from the Library.

GLASGOW BURSARIES (Undergraduate) tenable at Glasgow University up to the value of £70 per annum for 3 years.—Prospectus forwarded on application. Candidates must be of South Britain. Applications for Bursaries must be sent in not later than April 30th in each year.

TRAVELLING SCHOLARSHIPS of the value of £200 for one year (renewable for a second year if circumstances justify) tenable at any approved Continental (European) University are occasionally offered.

DIVINITY SCHOLARSHIPS of the value of £85 per annum for 2 years, tenable at any approved Theological College or University. Applications should be made before the 1st of June in each year. Prospectus may be obtained on application to the Secretary.

For all the foregoing, inquiries must be made of the SECRETARY, who will supply further information as required.

THE LIBRARY.—Primarily a Theological Library intended for the use of Ministers, Students, and other persons engaged in the study of Theology, Ecclesiastical History, the History of Religion and kindred subjects, it will be found useful for the study of Philosophy, History, Sociology, the History of Language and Literature, and Classical Literature both Ancient and Modern.

The Library does NOT supply Fiction, or books on Mathematics, Music, Natural History, Physical Science, or Medicine; nor does it supply Elementary Text Books or Class Books.

Books are lent to persons over twenty-one years of age, duly introduced and guaranteed in accordance with the regulations laid down by the Trustees.

Copies of the Regulations and forms of application for admission may be had on application personally, or by post, to the Librarian.

There is no subscription, but as only a limited sum of money is available in a year for the purchase of books, gifts of money or offers of books are gratefully received. A form of bequest appears below.

Readers having books sent to them are required to pay carriage on receipt of the books.

The Library is open daily from 10 a.m. to 5 p.m., except Saturday, when it closes at 1 p.m.

The Library is closed from the Thursday before Good Friday to the following Tuesday, inclusive; during the whole month of August; from Christmas Eve to New Year's Day, inclusive; and on Bank Holidays.

The Reading Room is also closed on the last Thursday in January, March, June and October.

Payments in connexion with the Library should be made by stamps or Postal Orders for small amounts. If cheques are sent they should be made payable to DR. WILLIAMS'S TRUST.

All parcels and communications relating to the Library should be addressed to—

The LIBRARIAN, Dr. Williams's Library,

Notes and News.

ERASMUS QUATERCENTENARY.—On the occasion of the fourth centenary of the death of Erasmus, which falls on July the 11th of this year, an exhibition has been arranged of books and portraits illustrative of Erasmus' life and work. The exhibition will remain on view in the Reading Room until the end of October. Pride of place is given to a copy of the *editio princeps* of Erasmus' edition of the Greek New Testament (1516), generously presented to the Library in celebration of the occasion by the Rev. W. H. Drummond, the Librarian to the Hibbert Trust, and one of Dr. Williams's Trustees. This edition is not only the first edition of Erasmus' Greek Testament, but is really the first printed edition of the Greek Testament of any kind to be published. The text included in the Complutensian Polyglott Bible, though already in print at this date, was not published until the following year.

In addition to this volume Dr. Drummond has kindly lent for the exhibition several other interesting editions and translations of Erasmus' works, also several prints and reproductions of portraits of Erasmus. Another trustee, the Rev. J. M. Connell, has lent a charming early Plantin edition of the *Colloquia* (1564).

These loans have been used to supplement a selection from our own collection, but in this connection it is worth remarking that the Library is far stronger in really early editions of Erasmus' works. These were so popular that they were frequently reprinted during the second half of the seventeenth century, and Dr. Williams and Dr. Bates (whose library Dr. Williams bought and added to his own) were building up their collections, the editions which came into their hands were not original editions but later reprints of comparatively little interest or value.
